Want a Holiday to Remember?
Want to Relax in the Hot Summer or Warm Winter Sun?
Want to Play Golf All Year Round?

The stunning Costa Blanca, the 'White Coast', has been a favourite area for tourists for many years. Encircled by the beautiful Crevillente mountain range to the west and the Mediterranean Sea on its eastern shores Costa Blanca's superb weather of 320 days of sunshine creates high summer temperatures with winter temperatures in the high teens and twenties. **Summer here is all year round.**

Costa Blanca is full with history from the El Barrio (Old Moorish Town) in Alicante to the naval city of Cartagena, with many wonderful Churches and historic sites. Beaches and coves stretch from Alicante to Cartagena many being blue flag and swept clean daily.
